Opportunities in the Healthcare Space

Gain a better understanding of the Healthcare sector
and why you should be paying attention.

REGISTER NOW & GET CE CREDITS

Accreditation pending for FP Canada, IIROC and The Institute

DATE: July 13th, 2021

TIME: 1:00PM ET

It's no secret the pandemic has put a spotlight on healthcare and while we know it's a critical component to our overall well-being, there's a lot more to this sector than what's being talked about in the news.

Despite all that's happened in healthcare over the last year, the healthcare sector is expected to continue growing and now may be a good time to consider the space.

Join us for a deep dive into the growing healthcare sector and learn why it matters now and how the newly launched TD Global Healthcare Leaders Index ETF (TDOC) can help provide you with global healthcare diversification.

The information contained herein has been provided by TD Asset Management Inc. and is for information purposes only. The information has been drawn from sources believed to be reliable. The information does not provide financial, legal, tax or investment advice. Particular investment, tax, or trading strategies should be evaluated relative to each individual's objectives and risk tolerance. Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read the fund facts and prospectus, which contain detailed investment information, before investing. Mutual funds are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer. There can be no assurances that the fund will be able to maintain its net asset value per unit at a constant amount or that the full amount of your investment in the fund will be returned to you. Past performance may not be repeated. Mutual fund strategies and current holdings are subject to change. Commissions, management fees and expenses all may be associated with investments in ETFs. Please read the prospectus and ETF Facts before investing. ETFs are not guaranteed, their values change frequently and past performance may not be repeated. ETF units are bought and sold at market price on a stock exchange and brokerage commissions will reduce returns. TD Mutual Funds and the TD Managed Assets Program portfolios are managed by TD Asset Management Inc., a wholly-owned subsidiary of The Toronto-Dominion Bank and are available through authorized dealers.
