

Survey

Hello <name>,

Hope this email finds you well.

Delivering a safe and successful MODE Show continues to be our top priority.

We are carefully monitoring the vaccination rollout and government regulations to ensure the 2021 event will be a safe place to bring exhibitors and buyers together to do business.

We've been working extensively with our suppliers to determine the best course of action for MODE 2021 and exploring the option of moving our August 2021 MODE Show to September 2021.

As you are part of the MODE community, we would like your opinion for the 2021 MODE Show.

[Begin Survey](#)

The survey will take only a few minutes.

Thank you for taking the time to complete the survey. We will be in touch as more information becomes available.

Sincerely,

The MODE team
